Heavy Duty Mechanic (Apprentice & Journeyman)

Warner Industries is a leader in the commercial truck, trailer, bus and fire & rescue industry for over 25 years.

We are looking for motivated individuals to fill **Four** full time positions immediately in both our Regina and Moose Jaw locations. At Warner we provide busy shops that have great working environments. We are safety conscious and have the tooling and training to make you successful.

As Heavy Duty Mechanic/Apprentice you will perform/assist in journeyman tasks in the inspection, diagnosis, maintenance, overhaul, and repair of vehicles such as trucks, trailers, and school buses.

Reporting to the shop foreman you will be responsible for:

- Diagnose failures through both road testing and the use of diagnostic equipment
- Repair or overhaul major units (brake systems, transmissions, differentials)
- Perform tune-ups as required
- Perform PDI as required
- Determine required repair parts for all jobs
- Perform other related duties as assigned

Skills required:

- Understand, apply and follow instructions
- Use and operate shop tools, welding equipment and diagnostic equipment

Education:

- Grade 12
- Apprentice/Journeyman papers
- 1-3 years experience

A competitive salary, benefit plan, training support, and bonus program is offered.
