# TAKING THE ROAD TO INNOVATION

While other manufacturers are playing follow-the-leader, we're leading the way by developing one of the most fuel-efficient concept trucks ever to roar to life. The Freightliner Innovation Truck combines ultra-advanced aerodynamics, mechatronics, chassis and power features to produce an industry leader in fuel economy. It's the latest in our long line of advancements that utilize proven technology – and put the industry on the road to more efficiency. Explore the exciting possibilities today at [freightlinertrucks.com/innovation](http://freightlinertrucks.com/innovation).
